

24th "Journées d'Etude" of the Belgian Section of the Combustion Institute

**Louvain-la-Neuve,
May 19-20, 2016**

<http://sites.uclouvain.be/immc/jde2016/index.php>

Organising Committee

Miltiadis Papalexandris (Chair), UCL
Véronique Dias (co-Chair), UCL
Hervé Jeanmart, UCL

Plenary Lecturers

Ioannis Mantzaras, Paul Scherrer Institute - Switzerland
Philippe Dagaut, CNRS Orléans - France

Belgium Section of the Combustion Institute

Call for presentations

Please submit your extended abstract through the following form

Deadline for submission: 31st of March, 2016

The abstract should provide the main message of your presentation, including introduction and conclusion. Figures can be also added to illustrate your main results.

Best paper and poster award

The best paper presented by a young researcher is selected by a scientific expert committee for the "Adolphe Van Tiggelen Award" (500€). Moreover, the best poster will also be selected for an award (250€).

Plenary lecturers

Ioannis Mantzaras, Paul Scherrer Institute, Switzerland

"Hetero-/homogeneous combustion of low hydrocarbons, syngas and hydrogen, from the fundamentals to power generation applications"

Philippe Dagaut, CNRS Orléans, France

"Advances in the combustion kinetics of second-generation biofuels"
