## What is 8<sup>th</sup> EPFDC?

- conference organized by and designed for PhD students from wide area of fluid dynamics
- opportunity to present and discuss your research
- social activities in international and young community
- a chance to broaden your scientific horizons

abstract  
submission  
deadline

acceptance  
notification

registration  
opening

registration  
and payment  
deadline

## Invited speakers

prof. dr hab. Gregory Falkovich  
Weizmann Institute of Science, Rehovot, Israel

prof. dr. sc. Hrvoje Jasak  
University of Zagreb, Zagreb, Croatia

prof. dr hab. Piotr Smolarkiewicz  
European Centre for Medium-Range  
Weather Forecasts, Reading, UK

CONFERENCE FEE  
74/34 €
