

INTERNATIONAL CONFERENCE ON MODERN ELECTRICAL POWER ENGINEERING (ICMEPE-2016)

CALL FOR PAPERS

From 6 to 8 of July, 2016

Las Palmas de Gran Canaria (Spain)

ORGANIZED BY:

- Asociación Española para el Desarrollo de la Ingeniería Eléctrica (AEDIE).
- Associação Portuguesa para a Promoção e Desenvolvimento da Engenharia Eletrotécnica (APDEE).
- Universidad de Las Palmas de G.C.-Cátedra Endesa Red. with the IEEE-PES Technical Co-sponsorship.

LANGUAGE OF THE CONFERENCE

The Conference language will be English for the papers and also for the presentations.

OBJETIVES

The main objectives are to create an excellence space for the meeting, interchange of experiences and knowledge about Electrical Power Engineering, try to facilitate the mutual knowledge, to promote the collaboration amount the Engineers, both from the universities and also from the companies.

SUBJECTS

The "International Conference on Modern Electrical Power Engineering (ICMEPE-2016)", building on the tradition and prestige of the "Spanish-Portuguese Conference on Electrical Engineering" (13 uninterrupted editions so far since 1990), aims to promote a truly international forum where a broader audience can exchange its latest ideas and developments on power engineering.

The following subjects will be covered:

- 1.- Analysis, Operation and Control of Power Systems
- 2.- Electrical Machines and Drives
- 3.- Renewable Generation and Storage
- 4.- Demand-side Management and Electric Vehicles
- 5.- Information & Communications Technologies for Power S.
- 6.- Substation Technologies, Switchgears and Protections

All the topics connected, directly or indirectly, with the Electrical Engineering are welcome. You can see a list of the topics, included but not limited, in the web site: <http://www.aedie.org>

IMPORTANT DEADLINES:

- **Submissions due:** March 1, 2016 .
- **Notification of acceptance:** March 30, 2016.
- **Registration, full payment and final paper due:** May 15, 2016.

EXTENDED ABSTRACT OR DIGEST

Submit your extended abstract or digest of two or more A4 double columns pages in Adobe Acrobat (.pdf) or MS Word (.doc), with the title of the paper, authors, your complete contact information and electronic address, five key words, interest of the work, objectives, main contributions and the four most important references at one of the electronic addresses: aedie@aedie.org or donsion@uvigo.es

The digest must be sent to the Secretariat using the Submission Digest Form before **March 1, 2016**. All the digests will be evaluated by at least two members of the International Scientific Committee (peer review process).

HONOUR COMMITTEE

The members that have received the Gold Medal of AEDIE:

- Antonio Almeida do Vale
- Jesús Fraile Mora
- Francisco Cavallé Sesé
- Antonio Gómez Expósito

ORGANIZATION COMMITTEE

Chairman: Manuel Pérez Donsión (President of AEDIE)

Vice-Chairman: Carlos Lemos Antunes (President of APDEE)

Local Committee

- Miguel Martínez Melgarejo (Chairman).
- Luis Álvarez Álvarez.
- Felipe Díaz Reyes.
- Fabián Déniz Quintana.
- Eduardo Vega Fuentes.
- Antonio Pulido Alonso.

STEERING COMMITTEE

- Manuel Pérez Donsión (Chairman)
- Carlos Lemos Antunes (Vice-Chairman)
- Ramón Bargalló Perpiña
- Pere Andrada Gascon
- Jesús Fraile Mora
- José Antonio Güemes Alonso
- Mario Mañana Canteli
- José Ignacio San Martín Díaz

STRUCTURE

The **International Conference on Modern Electrical Power Engineering (ICMEPE-2016)**, will be structured in:

- **Plenary Sessions/Experts panels discussion**, in one room for all the participants
- **Oral papers presentation** in two rooms simultaneously
- **Poster papers presentation**, which papers will be presented along morning and afternoon sessions on appropriate panels.

SOCIAL EVENTS

- **Civic Reception: 6th of July.**
- **Gala Dinner: 7th of July.**

COMPANIONS PROGRAMME

We'll propose a three days programme of excursions for guests accompanying conference participants to places of interest and also for all the participants during the afternoon of the last day.

Lunch will be provided during each excursion.

VENUE

The ICMEPE-2016 will be held at the Rectory of the University of Las Palmas de Gran Canaria (ULPGC).
Juan de Quesada, 30, 35001. Las Palmas de Gran Canaria, Las Palmas. Phone:+34 928 45 10 00.

REGISTRATION

You can attend at this conference either physically (in a classic format) or, alternatively, in a virtual synchronized way. For this latter format, the Open-ULPGC System of University of Las Palmas de Gran Canaria will be used.

The Open-ULPGC is the tool that has the University of Las Palmas de G.C. for all synchronous activities. This will allow to see, in real time, the plenary sessions, the various oral presentations and poster sessions, all without the need to physically move to the place of the Conference.

To be signed up in Open mode you will need:

- PC with Windows, Mac or Linux. Tablets, iPad or smart phones will be able to be used as well.
 - The equipment used should have to have webcam and microphone. It is recommended to have also headphones with microphone.
 - A good connection to internet. It is advised to check your line and make a speed test to verify.
- Once signed up in the Congress, you will receive the documentation needed to connect to every session.

The Conference registration fee for authors and participants that will attend physically to the conference covers full attendance at the

Conference, the presentation of one paper, the USB memory with ISBN which will include all the papers presented at the Conference, the briefcase, the lunches during the three days, the coffee breaks, the Civic Reception, the Gala Dinner, the last day excursion, the diploma and certificate.

The Conference registration fee for authors and participants that will attend virtually to the conference (using the Open-ULPGC) covers the virtual full attendance at the Conference, the presentation of one paper, the USB Memory with the documentation of the Conference, the diploma and certificate.

All the papers presented, physically or virtually, at the conference will be included in the open access *Electrical Engineering Electronic Journal (JEEE)*, with ISSN: 2172-1246, and also their authors will be invited for to include their papers in the *Open Engineering Journal* (De Gruyter Open).

The registration for guests accompanying conference participants includes: the programme of excursions, the lunches during the three days, the Civic Reception and the Gala Dinner.

You can see the registration fee on the following tables:

REGISTRATION TYPE: PHYSICAL ATTENDANCE	Before May 15, 2016 (*)	After May 15, 2016 (*)
