CALL FOR PAPERS

3-4 November 2011, Bucharest, Romania

## 5th International Conference on Energy and Environment

**Energy for a  
sustainable  
development**

## ■ Topics

Renewable Energies  
Energy Efficiency  
Smart Grids  
Fossil Fuels Clean Technologies  
Environmental Impact  
Hydraulics and Water Management  
Power Equipment and Control Systems  
Nuclear-Power Engineering  
Power Systems

*During the Conference four round-tables will be organized:*

Critical infrastructures  
CO2 Capture and Storage  
Passive Houses  
Personal Training in Energy Field

## ■ Conference Venue

The conference will be held at University POLITEHNICA of Bucharest. UPB, with a tradition of more than 190 years, is the largest and the oldest technical university, among the most prestigious universities in Romania. Bucharest, with a 500 years history, represents the cultural, industrial, administrative and financial centre of Romania.

## ■ Registration fee (EUR)

Early fee (until June 30, 2011): **150** EUR  
Standard fee (from July 1 to September 30, 2011): **200** EUR  
For young researches under 35 years: **50** EUR

*Registration fee includes: attendance, materials, lunch, breaks and evening Welcome Reception*

## ■ To the authors

The working languages of CIEM 2011 will be English and Romanian.

The Abstract, written in English, will contain at least 2000 words, and will state clearly the objectives, the applied methods, the obtained results and the conclusions of the paper.

The Abstract can be submitted by e-mail to the address [ciem.energ.2011@gmail.com](mailto:ciem.energ.2011@gmail.com)

The best papers will be published in the Scientific Buletin of the University POLITEHNICA of Bucharest. This review is indexed in a wide range of international databases e.g. SCOPUS, INSPEC, ULRICH

Additional information can be found on the conference web page

<http://ciem2011.energ.pub.ro>

## ■ Important Dates

<b>December 2010</b>	Call for papers
<b>31 March 2011</b>	Abstract submission deadline
<b>15 May 2011</b>	Notification of abstract acceptance
<b>30 June 2011</b>	Early fee registration deadline
<b>30 August 2011</b>	Registration deadline Full paper submission deadline
<b>30 September 2011</b>	Final programme
<b>3-4 November 2011</b>	Conference sessions

## ■ International Conference on Energy and Environment

The International Conference on ENERGY and ENVIRONMENT (CIEM) is organised by the University POLITEHNICA of Bucharest, Institute for Studies and Power Engineering and WEC-Romanian National Committee in collaboration with the main Romanian companies, agencies and associations from the energy and environment sectors. The Conference is held under the auspices of Academy of Romanian Scientists.

The aims of CIEM is to respond to challenges in the rapidly developing fields of Power Engineering and Environmental Engineering, and to inspire both research studies and practical applications by promoting interaction among scientists from universities, research institutions, and industry.

Like the previous events, CIEM 2011 will provide an ideal venue for the development of new partnerships.

The CIEM 2011 conference will as usual feature an exhibition area where companies are invited to present themselves and their particular fields of interest.

We look forward to welcoming you to Bucharest.
