IHPC

Committee on the International Heat Pipe Conference

The International Heat Pipe Conference (IHPC) focuses on topics related to heat pipe science and technology. It provides a forum for exchange of up-to-date information and experiences among scientists and engineers from all around the world.

The 16th IHPC is the next in a series spanning over almost 40 years, from Stuttgart (Germany) in 1973 to Clemson (SC, USA) in 2010.

Accommodation

According to the tradition of IHPC, we recommend a single hotel for your accommodation during the 16th IHPC, so that all the participants have the opportunity to meet and discuss during the sessions, but also out of the sessions.

The Conference Hotel is: **Hôtel des Congrès**
Place du Commandant Rivière
69100 LYON-VILLEURBANNE - FRANCE
Tél : +33 (0)4 72 69 16 16 - Fax : +33 (0)4 78 94 64 86

Travel to Lyon

Lyon-Saint Exupéry Airport (LYS) is the French airport with the largest number of routes outside Paris, with 43 scheduled international routes and 19 charter routes.

Lyon Part-Dieu railway station is connected directly by TGV (High Speed Train) to several major cities in France and Europe, and also to Paris Charles de Gaulle Airport (CDG), e.g.:

Lyon - Paris (2h)

Lyon - Paris Charles de Gaulle Airport (2h)

Lyon - Geneva, Switzerland (1h50)

Lyon - Brussel, Belgium (3h50)

Once in Lyon, you should use the modern, safe and sophisticated public transportation system of the city.

Venue

The 16th IHPC will be held at the Lyon Convention Centre. This facility is situated in a unique location, between the Rhône river and the magnificent Parc de la Tête d'Or.

Address: **Lyon Convention Centre**
50, quai Charles de Gaulle, 69006 LYON

Lyon is located in central France and is the second largest city in France with an urban population of over a million inhabitants.

It is a fascinating French city that was listed by UNESCO as a World Heritage site, owing to exceptional features that you are invited to discover during the Conference.

Lyon is also a popular tourism attraction because of its active cultural and nightlife scene, and because of its worldwide famous gastronomic heritage, the origin of its nickname of «gastronomic capital of the world».
