

CALENDRIER DES ACTIVITÉS ANNONCÉES

Ce calendrier annonce les manifestations, congrès et journées, autres que celles organisées ou parrainées par la SFT et dont la SFT a connaissance. Le calendrier est régulièrement mis à jour de façon à minimiser les délais de publication.

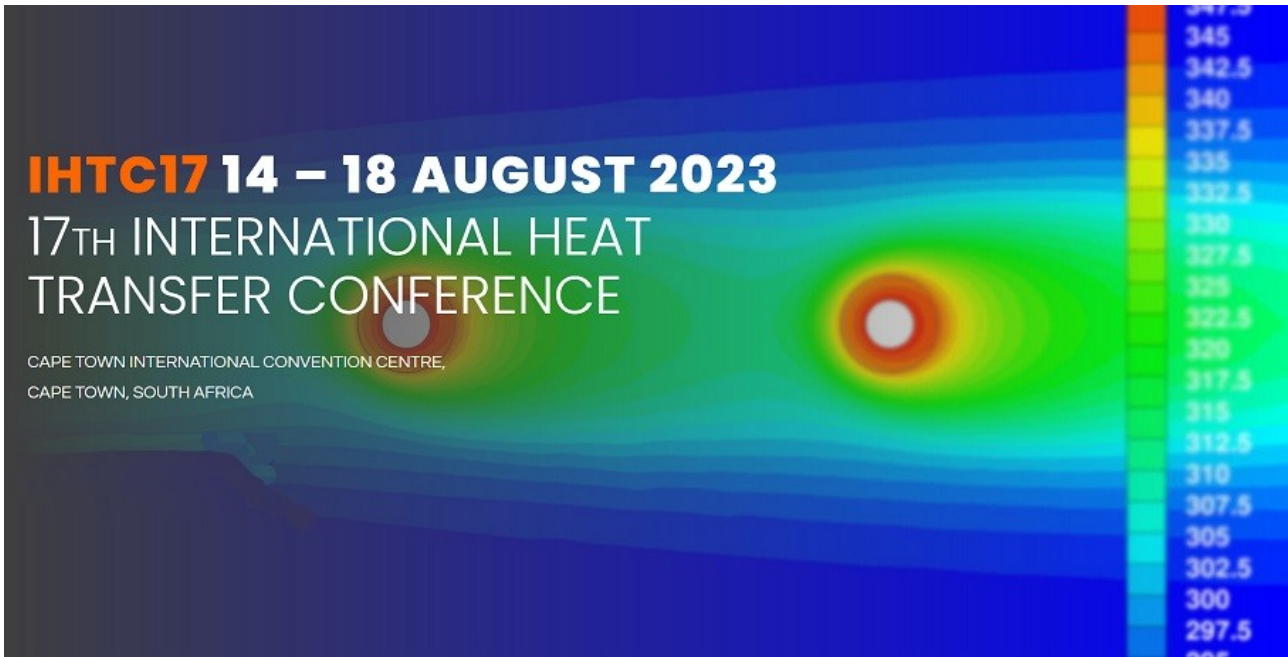

Si vous souhaitez annoncer une manifestation dans le domaine de la thermique, vous pouvez transmettre l'annonce à :

sft.communication@orange.fr (nouvelle adresse)

Les liens actifs permettant d'accéder directement aux sites internet des manifestations sont disponibles pour chacune des annonces.

Les manifestations organisées en France sont repérées par un cadre en trait gras.

CONFERENCE TOPICS

The main topics of the "IREEC1" cover, but not limited to, the following:

- Air Conditioning Systems
- Commercial refrigeration (refrigerated showcase)
- Refrigeration Systems
- Cold Chain
- Environmental aspects
- Food science & engineering
- Refrigerated storage
- Refrigerated transport
- Heat pumps, energy recovery
- Sustainable and high performance buildings
- ORC
- Energy and Environmental Modeling
- Energy Conservation & Analysis
- Renewable Energy
- New and Clean Energy Technologies
- Thermodynamics & transfer processes
- Sustainable Development
- Modeling of Energy Systems
- Fluid Dynamics - Heat and Mass Transfer
- Energy Management in Industrial Sectors
- Exergy, Energy and Environmental Modeling
- Materials for energy
- Training

PROGRAM

The conference program will consist of:

- Plenary lectures,
- Oral presentations and poster sessions,
- Industrial exhibitions,
- Round table

Conference Language

The languages of the Conference are **French** and **English**.
