

CALENDRIER DES ACTIVITÉS ANNONCÉES

Les manifestations, congrès et journées thématiques, organisées ou parrainées par la SFT sont annoncées dans son bulletin de liaison disponible sur le site web de la SFT. Les autres manifestations dans le domaine de la thermique dont la SFT a connaissance sont annoncées dans le présent calendrier régulièrement mis à jour de façon à minimiser les délais de publication.

Si vous souhaitez annoncer une manifestation dans le domaine de la thermique, vous pouvez transmettre l'annonce à :

sft.communication@orange.fr

Les liens actifs permettant d'accéder directement aux sites internet des manifestations sont disponibles pour chacune des annonces.

Les manifestations organisées en France sont repérées par un cadre en trait gras.

The banner features a blue background on the left with the EUROTHERM logo (a circle of yellow stars) and the text 'EUROTHERM' in yellow. To the right, the text '9th European Thermal Sciences Conference' is written in large blue font. Below this, the dates '10 – 13 June 2024, Bled, Slovenia' and the website 'www.eurotherm2024.si' are listed. A QR code is positioned to the left of the 'AIMS AND SCOPE' section. The background of the right side of the banner shows a scenic view of Lake Bled in Slovenia, with a church on an island and mountains in the distance.

9th European Thermal Sciences Conference

10 – 13 June 2024, Bled, Slovenia

AIMS AND SCOPE

The EUROTHERM 2024 conference aims to provide a forum for exposing and exchanging ideas, methods and results in heat transfer, fluid mechanics and thermodynamics.
To promote and encourage European and global cooperation by bringing together scientists and engineers from academia and industry.

University of Ljubljana
Faculty of Mechanical Engineering

CONFERENCE TOPICS

Conference topics include all thermofluid sciences and engineering aspects – from fundamentals to applications.

CHAIR AND CO-CHAIR

Prof Božidar Šarler
Faculty of Mechanical Engineering,
University of Ljubljana, Slovenia

Prof Laura Vanoli
Department of Engineering,
Parthenope University of Naples, Italy
